Mrs. B. M. Stern
National Labor Relations Board
Washington, D. C.

Dear Mrs. Stern:

Inclosed are two copies of the application for a position with the Board which I should have filed several months ago when you were kind enough to offer to present it to the Board.

I shall appreciate anything you can do for me. Do not misconstrue my slowness in filing the application, for there is nothing I would like better than working for the Board.

Yours truly,

Harold Feisberg.

Incs.
